What is HAF funding?

Holiday Activities and Food (HAF) is a programme specifically targeted to offer free holiday activities to Primary school aged children who are eligible for benefits-related Free School Meals. The aim is that the children who attend the provision will eat more healthily over the school holidays; be more active during the school holidays; take part in engaging and enriching activities; to be safe and not to be socially isolated; to have greater knowledge of health and nutrition; and to be more engaged with school and other local services.
